SUMMARY DECISION SHEET

Purpose: Commissioner Decision – Ref.DLI264

Timing:

Title: Funding towards Regional Perpetrator programme

Category of Decision / Business Area Impact: Finance

Executive Summary:

The PCC has been approached by the Regional VAWDSV board to make a contribution towards the regional perpetrator programme. The PCC had made a contribution towards the partnership last financial year and is asked to continue this investment in 22-23.

The joint investment across the partnership in 2021-22 ensured that as a region they achieved a consistent, accessible and high-quality offer of perpetrator intervention that was equally accessible in all areas of the region. In line with the Partnership's work to improve the commissioning arrangements around VAWDASV service provision, within the last year they have worked on developing potential regional funding rations, across all partners. Key strategic partners have all contributed towards the funding of the project and the PCC has been asked to contribute 20% of cost equating to £19,850.

Recommendation:

To agree the 20% contribution from the Driver Retraining reserves to the regional perpetrator programme and its work
