Dear Commissioner,

Re: Review of proposed police precept for 2023-2024 financial year.

I write to confirm that in accordance with the requirements of Schedule 5 of the Police Reform and Social Responsibility Act 2011 the Dyfed-Powys Police and Crime Panel reviewed your proposed 7.75% increase in the precept for the above financial year at its meeting on the 27th January 2023. Please therefore accept this letter as the report of the Panel in respect of that review.

As you are aware the Panel unanimously supported the proposed precept and did not exercise its power of veto.

I would like to take this opportunity to thank you, and the finance officers from both your office and the force, for the comprehensive information provided at both the seminar in November 2022 and the Panel meeting today. The openness and transparency with which you and those officers approach this task is much appreciated.

Yours Faithfully
