Title: Web development by Glass Mountains Digital Ltd

Category of Decision / Business Area Impact: Commissioning

Executive Summary:

Glass Mountains Digital Ltd has provided a website service for the OPCC since 1st November 2014. Its initial aim was to develop a new website, including design, building, testing, hosting and supporting.

As the website is now fully developed and running, it is proposed that the hosting and support service is extended for six months to 31st July 2016 at a cost of £250pm (+VAT). This will ensure a professional and resilient website for several months into the new Commissioner term. Website requirements will then be reviewed.

Recommendation:

That the Police and Crime Commissioner approve the proposal for a six month extension of the current Service Level Agreement with Glass Mountains Digital Ltd for provision of web hosting and support.

Police and Crime Commissioner for Dyfed-Powys
