SUMMARY DECISION SHEET

PURPOSE: COMMISSIONER DECISION

Timing: Routine
(Specify date required and why, where possible)

Title: Funding for Carmarthenshire News

Category of Decision / Business Area Impact: Spending, Communication

Executive Summary:

- Carmarthenshire News is a periodical newsprint publication produced by the county's Local Service Board. It circulates to homes across the county via a door-to-door distribution agency.
- The LSB requests £5,000 for guaranteed DPP/OPCC content in the title through 2014-15. Similar funding has been provided for a number of years.
- No similar publication exists in other Dyfed-Powys counties.
- The PCC's anecdotal evidence, based on Carmarthenshire public opinion he receives, indicates - on balance - a lack of desire for the publication.
- Ongoing work to develop wider DPP & OPCC media engagement will see messages from both organisations delivered through the existing independent local and regional media. DPP & OPCC continue to develop public engagement activities; these offer opportunities to deliver key news and messages. DPP & OPCC are in the process of redeveloping their websites; both will deliver news, information and messages.

Recommendation: That the invitation to part fund Carmarthenshire News in 2014-15 is declined.
