REPORT / SUMMARY DECISION SHEET

PURPOSE: COMMISSIONER DECISION – REF. DLI088

Timing: Routine

Title: Appointment of Willmott Dixon as the main contractor for the construction of the new Carmarthenshire Custody Suite and Llanelli Police Station via the SCAPE framework.

Category of Decision / Business Area Impact: Estates/Finance

Executive Summary:

At the August meeting of the Estates Project Board, a full business case was presented which detailed the benefits of the appointment of a main contractor through the SCAPE framework for the construction of the new Carmarthenshire Custody Suite and Llanelli Police Station. The main contractor having won this award through SCAPE is Willmott Dixon. A meeting with SCAPE representatives established the rigour with which this framework is monitored and the community benefits offered. Confidence in the competitive tender process of this framework along with the cost management and allocation of risk elements ensures that a value for money project without compromise can be gained. Board members issued an agreement which was subsequently backed by the August meeting of the Policing Board.

The Commissioner is asked to review the above information and approve a decision to proceed as summarised.
