**Response to PEEL spotlight report, the Hard Yards: Police-to-police collaboration**

It is pleasing to see the All-Wales collaboration being recognised as having a strong sense of purpose to improve policing for the whole of Wales, which is supported by Welsh Government. I am proud that during my time as Chair of the All-Wales Policing Group we were collectively able to further enhance our strong working relationship with Welsh Government's Police Liaison Unit. I am confident that the Group will continue to improve its oversight and scrutiny of collaborations over this year and beyond.

I have welcomed the Force's introduction of a Benefits Realisation Officer, which should assist the Force in demonstrating the value added through innovative projects. I will continue to work closely with the Force to ensure that the impact of both collaborations and local projects are appropriately realised and capitalised on.
