

SUMMARY DECISION SHEET

Purpose: Commissioner Decision – Ref. DLI 208

Timing: Routine

Title: Contribution to Domestic Violence Perpetrator Interventions

Category of Decision / Business Area Impact: Finance

Executive Summary:

The Commissioner is a key partner of the Mid and West Wales Regional Violence Against Women, Domestic Abuse and Sexual Violence (VAWDASV) Board. The Board have established a number of schemes and pilot interventions for perpetrators of domestic abuse, some of which are best practice examples of delivery in rural areas such as Dyfed Powys.

The Board are looking to establish sustainable provision of these services during 2021/22 and have published a proposal to all key strategic partners for a contribution of £19,850.

The proposal has been considered and scores highly on the PCC's funding matrix and aligns with the priorities of the Police and Crime Plan. It is also a key area for future development of jointly commissioned services between the PCC and the National Probation Service and aligns with HMIC recommendations.

It is therefore proposed that the PCC approves a contribution of £19,850 for the period 2021/22 to fund the regional perpetrator interventions. Discussions regarding the future sustainability of this delivery will be held at Board meetings during 2021.
