

12th September 2023

Police and Crime Commissioner for Dyfed-Powys response to Counter Terrorism Joint Inspection – National security division and multi-agency arrangements for the management of terrorist offenders in the wake of terrorist attacks

I note the report which rightly shines a light on the management of those which present a significant risk to the safety of our communities.

As the focus is on the partners working across the criminal justice system, I will ensure the report is duly considered through our Local Criminal Justice Board.
