SUMMARY DECISION SHEET

PURPOSE: COMMISSIONER DECISION

Timing: Routine

Title: Appointment of Architects for Llanelli Works

Category of Decision / Business Area Impact: Estates

Executive Summary:

The Commissioner has previously made a decision on the procurement route to be taken to appoint an architect led consortium for the estates works to be carried out in Llanelli (dated 1st April 2015).

In line with that decision, a mini competition was run across the seven interested and suitably experienced organisations on the NHS SBS Framework.

In total, four bids were received. Each bid was evaluated against pre-set technical data after which three were invited back to attend an interview.

At the end of the evaluation process which included an evaluation of commercial data, the highest scoring bidder was named as Ingenium Archial.

Full details of the tender documentation, clarification questions and technical and commercial evaluation results are recorded as part of the procurement process (tender reference DPP/14/28) and are not duplicated here.

Recommendation:

The Commissioner is asked to approve the appointment of Ingenium Archial as the architect led consortium for the estates works to be carried out at Llanelli.
