SUMMARY DECISION SHEET

Purpose: Commissioner Decision – Ref.DLI386

Timing: Singular

Title: VAWDASV Blueprint funding

Category of Decision / Business Area Impact: Finance

Executive Summary:

During 2022/23, all Welsh PCC agreed to support the establishment of the pan Wales virtual, multi-agency team - VAWDASV Blueprint.

The Welsh Government and Policing in Wales agreed to adopt a Blueprint approach to support delivery against the [VAWSDASV National Strategy 2022 to 2026](#), which meant that devolved, non-devolved agencies, non-governmental organisations, specialist services and survivors could work together to coordinate actions and drive activities to deliver our shared priority of tackling VAWDASV.

Each Welsh OPCC and Police force provided a financial contribution from 2023/24 to 2024/25 to support the Welsh Government with developing the strategy and embedding the workstreams to tackle existing themes and emerging trends.

Further funding is requested for the next 3 years to continue the transformational change programme coordinate multi-agency activity to deliver against the WG VAWDASV National Strategy.

Recommendation:

Recommend that a financial contribution of £40,000 is provided for 2025/26 only. This to be funded from the Innovation Fund budget.

Future years' financial contributions to be decided following the spending review announcements during 2025/26.
