SUMMARY DECISION SHEET

Purpose: Commissioner Decision – Ref.350

Timing: Singular

Title: Construction Consultancy Services

Category of Decision / Business Area Impact: Estates

Executive Summary:

The current delivery of Minor Capital works contract will come to an end in the next financial period, on this basis a formal tender process was carried out using the NHS SBS Construction Consultancy Services Framework. Nine interested parties initially participated with three full submitted compliant bids received, for the provision of a Construction Consultancy Services Contract on an initial 3 year term, with an option to extend for 2 years. Total term 5 years until August 2029.

The model going forward will be for DPP to employ consultancy services with our chosen provider, and then to use wider construction Frameworks such as SWWRCF to undertake the works activity.

Recommendation: Following conclusion of the tender exercise the recommendation is to award the contract to Atkins Realis Ltd. This was on the basis that on a Cost Quality assessment Atkins Realis scored higher than other submissions received.

I confirm I have considered whether or not I have any personal or prejudicial interest in this matter and take the proposed decision in compliance with the Nolan Principles for Conduct in Public Life.
