## SUMMARY DECISION SHEET

**Purpose:** Commissioner Decision – Ref.DLI383

**Timing:** Singular

**Title:** Youth Offending Teams' Funding

**Category of Decision / Business Area Impact:** Finance

### Executive Summary:

Further to decisions DL|222 and DL|254, funding has been requested from the Youth Offending Teams within Dyfed Powys for the period 2025/26 to 2027/28. Similar to previous funding awards, this request relates to supporting the Youth Offending Teams within Carmarthenshire, Ceredigion, Pembrokeshire and Powys with restorative justice activity.

The Regional Youth Justice Victim and Restorative Justice Project will provide support to victims and enable their voice to be heard at each stage of the Youth Justice System.

The project ensures that restorative approaches are used in a way that would benefit the child, the victim and the wider community.

Youth Justices link with partners including Dyfed-Powys Police and Local Authority departments (family support, children's services, youth services, education departments and community safety partnerships) as part of service delivery.

This activity aligns with all three of the Police & Crime Plan priorities.

### Recommendation:

To provide funding of £165,000 during year one (2025/26) and £125,000 during years 2 and 3 (2026/27 and 2027/28).

Further consideration to be given to uplifting the budget for years 2 and 3 following the spending review during 2025/26.

### Police and Crime Commissioner for Dyfed-Powys

I confirm I have considered whether or not I have any personal or prejudicial interest in this matter and take the proposed decision in compliance with the Nolan Principles for Conduct in Public Life.
