OUR SERVICES

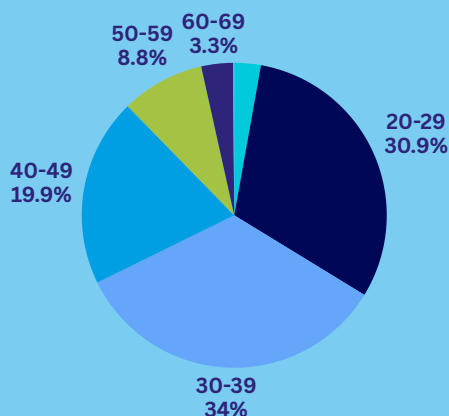

DYFED SUBSTANCE MISUSE

Operating in Carmarthenshire, Ceredigion, and Pembrokeshire, Dyfed Drug and Alcohol Service (DDAS) aims to reduce substance misuse-related harm to service users, significant others and the wider community. DDAS also works to identify and engage offenders from the point of arrest through to sentence, and to maximise the proportion of individuals reducing their substance use and offending behaviour.

CONTRACT DETAILS

Contract held by DDAS
Contract length: 01/5/2020 to 31/3/2025. Value of the contract: £215,000 pa (total contract value £1.52m per annum jointly commissioned with the Area Planning Board)

Age of referrals:

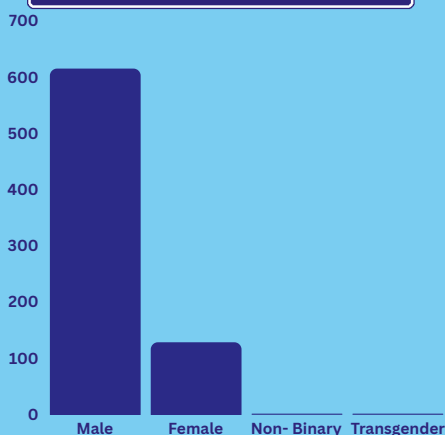

415 individuals exited the service with a positive closure e.g. being drug free or completing treatment.

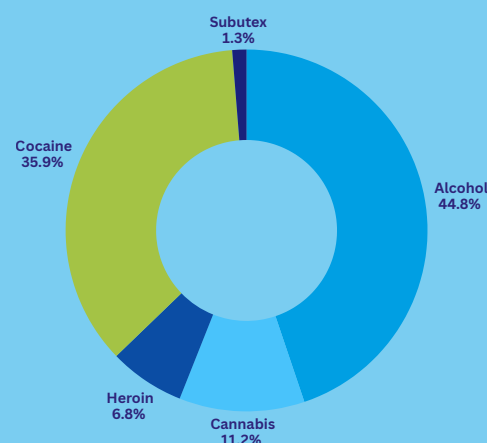

STATISTICS

During 2024/2025 police colleagues referred 1001 individuals for substance misuse treatment. This includes those given conditional cautions and individuals tested on arrest in custody.

Gender Split :

Top substances being used:

"Support from DDAS has allowed me to feel more positive about my life."

"DDAS has impacted on my relationships in a good way."

"I have been struggling in my life and have found DDAS to be very supportive in helping my get my life back on track."

"I have always felt listened to when engaging in support sessions."
